Customer Reviews

Learn how to trade like a pro! Joe Bronski's day trading series is a must have for those of you learning their bearings in this space. Use it to not only take advantage of the volatility of the market on a daily basis, but to develop a strategy for the longer term. Very Informative.

The book gives real strategies how to cope with addiction and how to overcome it and the detail is perfect for anyone starting out and is a good point of reference for all others who need key factor details. There are several day trading pattern listed in this book which i find very helpful, as well as strategies and chart that can be of great help to me. I am very happy to read such a wonderful book. Great book for beginners, I highly recommended.

Joe Bronski has totally done a great job in writing books on day trading. And if you are currently an investor in it, then this bundle will certainly be of use to you. This set consists of books which range from intermediate to advance as well as tips and strategies. This is indeed a very useful book which can help you in achieving success in this trade. This will enable you to learn more about how you can maximize your profit and build a fortune.

I found this book to be interesting and informative. For readers like me who know nothing about the Stock Market, this book takes you through step by step and gives lots of great information including the risks one takes as they take the plunge. I don't know if I will try the market, but if I did I now have a great guideline!

This book is so impressive. I have got benefited through this book. If you are thinking about trading, you should follow this book. This book is able to help you to fill in the final missing gaps in your knowledge that you need in order to become the expert day trader that you always wanted to be. This book has each and every information to help you. Really worth recommending !

I must say that i really enjoyed this book, it is very comprehensive and provided some helpful tips

and tricks for day trading. I really like how it explained how to maximize your profits which i thought was very helpful. Overall it is a great detailed guide i would recommend to anyone looking to get into trading.

Wanted to get into Day Trading and I found this book. It has so many easy to learn tips and tricks, intermediate and advance for both people starting out and people that just need some extra help. Can't wait to start. I will recommend Day Trading by Joe Bronski. Thanks.

My knowledge about day trading has been improved. I think some of my skills has increases and all the information regarding trading have boost amazingly .The author has enumerated the different strategies regarding trading and it is indeed agreeable. It has some grids inside showing the high and low of price waves and when the stocks are in the high volume. Perfect strategies.
