I went to Spain for a couple of days and I needed to have a book that could show me the basics of the language. I have to say that I really dislike learning a new language, but this book made it pleasant for me. What makes this book more special than other ones is that it explains everything in simple terms, even the more difficult stuff. I was able to communicate with the Spanish people on my holiday and most of them understood me! Get this book if you want/need to learn Spanish. James

I absolutely love this book it is fun and educational. I have learned from this book that the best way to learn a new language is to study its alphabet. I was never aware of this until i purchased this book! Fortunately, Spanish uses a roman alphabet so it should not take long for a English speaker to learn to write and recite the Spanish alphabet! Another piece of valuable information i learned from this book is along with grammar and good vocabulary, accurate pronunciation is one of the essentials in communicating effectively efficiently in Spanish. I highly recommend you buy this book as it will help you better your life in so many ways. Thank you and god bless.

great! Not only did I learn the words necessary for today's Spanish language, I had fun while I did it!

I was so eager to learn how to speak Spanish since I was still in High School but never got the chance to learn it, until I saw this book here on . It was free when I saw this so I grabbed the opportunity and downloaded it. I could say that every second of my time ready this book is all worth it as it is well-written. It is a very effective book to help new learners speak Spanish. It is competitively priced, professionally done and I could honestly say that Amy F. was very successful at fulfilling her goals in teaching the Spanish wanna-be speakers.

This eBook will provide you some practical tips in learning Spanish and it's basic phrases for everyday situations. It's great for giving an excellent basic vocabulary that covers many aspects of daily life, it contains simple practical methods that anyone can do regardless of age and gender. It starts from the very basic level- the alphabet then goes into simple greetings, then basic expressions and daily vocabulary. I think his book is a great resource for Spanish learners of all levels. I really learn a lot from this book and I am so thankful to the author.

this book is a must to have. whether gong to travel, or you just want to learn a new language. this is an excellent read. Pronunciation guides very helpful and detailed. the length of this book also makes it a plus. this book also gives you a big list of vocabulary and then even a lot of examples. I always struggle with the genders, or in the past tense. I recommend this book for anyone that wants to learn Spanish and is willing to put in the work!â ¸

This book is very comprehensive book on learning Spanish language. This is my 3rd book on this topic. But this one is better than others. The author provides 15 easy and effective steps for learning this language. I am a beginner and this book really helped me a lot.
