Sugar Daddy: Sugar Bowl, Book 1

Synopsis

Sela Halstead lost her innocence in a way that no 16-year-old should ever have to endure. She's spent years trying to forget that night, even while wondering about the identities of the monsters who brutalized her - until a telltale tattoo flashes across Sela's TV screen. The incriminating ink belongs to Jonathon Townsend, the millionaire founder of The Sugar Bowl, a website that matches rich older men with impressionable young women. Obsessed with revenge, Sela infiltrates Townsend's world, only to come face-to-face with a tantalizing complication: Beckett North, his charismatic business partner. The tech mastermind behind The Sugar Bowl, Beck always gets what he wants, in business and in bed. And yet, for a man who's done every dirty thing imaginable, there's something about the naive, fresh-faced Sela that sparks his hottest fantasies. Because with her, it's not just about sex. Beck opens up to her in ways he never has with other girls. So why does he get the feeling that she's hiding something? In a world of pleasure and power, the shocking truth could turn them against each other - or bind them forever. Contains mature themes.

Ten years ago Sela was brutally raped by three guys. She never knew who they were but she remembered a tattoo. A tattoo that she's now seeing on TV! The boss of this new, very successful dating site is one of the guys who raped her. Even with lots of therapy Sela still isn't able to really live with what happened back then. She even tried to kill herself. She's still plagued by nightmares. But she thinks that killing her rapists would finally free her from this terror. That's her one goal in life now.

She makes herself into a brand new piercing-free brunette, ready to seduce JT and find out the name of the other two. But she's just not JT's type as a confident brunette. But she's Beck's type. Beck is the genius behind The Sugar Bowl. The brilliant and verrry hot MIT guy. And he wants her. Even if only for one night. Because that's all he does. One nighters. But this girl is different. And for the first time in his life Beck can imagine himself in a relationship!BUT, he also knows that she's hiding something..... And he can't stand secrets!!!!WHAT WILL HAPPEN TO SELA & BECK??WILL SHE BE ABLE TO GET HER REVENGE??WILL HER SECRETS BE TOO MUCH FOR BECK?WILL EVERBODY SURVIVE???WILL THERE BE A HORRiBLE CLiFFY??I'm not telling you that of course...ok, yes, there might be a tiny little HUGE Clifffy

â˜º _____ 4.9 STARS This was something totally different to all those Sawyer hockey & sex-club books. I loved it. Lots of angst and mystery and suspense and SEX and lots of moving and sad moments...I loooved Beck!!He's a real great guy!

You think you know. But you don't. You can't even begin to understand what you're about to get into when you open this book up to page one. This is easily the best read of the year so far for me. I can't even pinpoint one thing about it that makes it utterly fantastic. It's just a culmination of everything together. The pain. The lust. The love. The unbearable heartache. The need for revenge. The only question to answer in this book is: What happens when you are within reach to fulfill your self-professed destiny, only to have your true destiny sideswipe everything?Sela Halstead has a mission. Not to take back what is hers, because that can never be returned or mended, but to wholeheartedly destroy the man who destroyed her life. Who she is, is not who she was meant to be. She is a ghost of herself, living day to day until the man who stole the sparkle from her eye flashes across her TV. Sela knows what she has to do. The only thing that may make her feel alive again... But she wasn't counting on Beckett. JT's business partner, and best friend. Nothing could have prepared her for the true feeling of living again that Beckett brings out in her. But has she lost sight of what she came here to do, or will she find a renewed sense of revenge despite the new life she's been given?Everything about this book gripped me. Sela is a character that you want to cheer for so badly. You need her to be happy, but she has this side to her that you will understand, but want her to fight so badly. Then there's Beckett. I feel so desperately in book-love with him. But in the end no one in this book is perfect, but that's what made it so real and intense. Of course, Ms. Bennett takes so liberties with the dramatics, but again, that's what makes it fiction, and mind-blowing fiction, at that.
