Customer Reviews

Very nice quality I was a little nervous as I rarely buy online as you never know what your getting but this surpassed my expectations the paper is smooth and nice as said it would be, the back pocket is a little flimsy but still better than some of my school folders' were. The best part of the whole thing tho wad at the front of the note journal there's information about the slytherin history and people with good quality pictures included! Maybe I missed this feature when reading the discription, but it was definitely an awesome bonus! I will probably buy more when. I get more money

I fill journals rather quickly and probably purchase one about every month or so. Insight Editions is one of the best quality out there and I will keep buying their journals, but in different designs. This Slytherin one is my 2nd from them and is great for any Harry Potter fan, especially if Slytherin is their favorite house. The paper quality is great, but I'm not sure how heavy it is. Not sure if that affects ink bleeding, but I've had no issues with that.

Great leatherette journal with a nice heft. Ended up going with the Hogwarts one but was tempted to get my niece this one.

Very nice Design, Good quality construction, Came fast and in good order. would definitely order again.

Bought it for a gift. She loved it. Good condition, the cover looked fantastic. It arrived wrapped in plastic so I couldn't validate the quality of the paper, since it was a gift.
