Drum Corps Replay - 1983: Everyone Else Is Just Corps

Synopsis

The Drum Corps Replay series reprints, in chronological order, every drum and bugle corps show article and score published by Drum Corps World in a specific year. Putting all the articles and scores together and listing them chronologically helps to tell the full story of each summer. It's all here, as it happened. You can relive what you experienced, and you can learn what really happened to others, and why. You'll have the real scores to prove you beat certain corps, or to prove that certain corps never beat you. Modern drum corps members can take a look at what competition was like decades ago.
