Star Wars Instrumental Solos (Movies I-VI): Trumpet, Book & CD (Pop Instrumental Solo Series)

Synopsis

For the first time, Star Wars(R) A Musical Journey (Music from Episodes I-VI): Instrumental Solos includes selections from all six Star Wars(R) movies arranged for flute, clarinet, alto sax, tenor sax, trumpet, horn in F, trombone, piano accompaniment, violin, viola and cello. The arrangements are completely compatible with each other and can be played together or as solos. Due to level considerations regarding keys and instrument ranges, the wind instrument arrangements are not compatible with the string instrument arrangements in this series. Each book contains a carefully edited part that is appropriate for the Level 2--3 player and a fully orchestrated accompaniment CD. Each song on the CD includes a demo track, which features a live instrumental performance, followed by the play-along track itself. Also included is 4-color art as well as black and white art from the movies. Titles: Star Wars (Main Theme) * Jar Jar's Introduction * Augie's Great Municipal Band * Qui-Gon's Funeral * Duel of the Fates * Anakin's Theme * The Flag Parade * Across the Stars * The Arena * The Meadow Picnic * Battle of the Heroes * Cantina Band * The Throne Room * The Imperial March * May the Force Be with You * Princess Leia's Theme. This title is available in SmartMusic.

Customer Reviews

Editing my review-- While the pieces won't be challenging for an intermediate player, it is still quite fun to play along with, and has cool orchestral (and even choral) backing tracks. It's a little disappointing to see some memorable themes from the classic trilogy are absent in favor of some

fairly forgettable prequel pieces. This is personal opinion, though. Surely, Yoda's theme was at least more interesting than Anakin's theme, and March of the Ewoks, The Asteroid Field and the Han & Leia love theme from ESB were much more interesting pieces than some of the things that were included in this collection. All in all, fun stuff, though.

I bought this book for my son who is a budding trumpet player and avid Star Wars fan. He loves it and his trumpet skills have improved exponentially! The CD helps him to hear the notes and the book is easy to use.

I bought this for my son, who plays the trumpet. He loves this book - all of the songs are familiar, so he can challenge himself a little but all the while know what the song is supposed to sound like.

Want to get your kid to practice? Get them this.

My son LOVES this book! He has taught himself how to play so many songs. CD helps a ton.

Bought for my grandson, he loves it

My son loves it. I purchased it to motivate him to practice during the summer break. It is easy enough not to be frustrating, but still enough to be a little challenging.

Bought this book to give as a gift to a 2nd year trumpet player. It's challenging for him, but being a Star Wars fan, he loves being able to play the music.
