## Customer Reviews

I really enjoy the songs in this book. They are not overly complicated, but are definitely not advanced. I'd say this is perfect for a middle level player. I like that there are a variety of classics as well as newer Christmas songs as well. The book also has guitar chords in case you want to have a little duet.

This collection of Christmas songs and carols has been just the right thing for me. The arrangements are a medium level which is perfect. They are upbeat and arranged with creativity without being too complex for an intermediate player. I even bought one for my grown daughter who is more advanced than myself, and she likes it. Now we have a familiar book to play out of when we visit each other.

This book has both old favorites and new songs from movies like Polar Express & The Grinch. It is written for Intermediate players & is a lot of fun to play. It's one that I bring out every year for Christmas to enjoy.

Great songs with words to go with the music, I am very pleased with this and will order more if needed without hesitation

I thought this would be an EASY piano book for my kids. A bit more advanced than what I wanted. But, I am having fun playing.

Easy to play, great variety.

Just Right music. It is in simple enough keys and has a big variety of Christmas music and quite a few different ones as well. This is a good purchase.

Good mix of songs, and the difficulty level was perfect for me, being somewhere in the

easy/intermediate area.
