He Killed Them All: Robert Durst And My Quest For Justice

Synopsis

Former prosecutor Jeanine Pirro "the true hero" (New York Post) of the hit HBO documentary series *The Jinx* offers the transfixing true story of her tireless fifteen-year investigation into accused murderer Robert Durst for the disappearance of his wife Kathleen Durst. Former district attorney Jeanine Pirro was cast as the bad guy fifteen years ago when she reopened the cold case of Kathleen Durst, a young and beautiful fourth-year medical student who disappeared without a trace in 1982, never to be seen again. Kathie Durst's husband was millionaire real estate heir Robert Durst, son of one of the wealthiest families in New York City but though her friends and family suspected him of the worst, he escaped police investigation. Pirro, now the host of *Justice with Judge Jeanine* on Fox News, always believed in Durst's guilt, and in this shocking book, she makes her case beyond a shadow of a doubt, revealing stunning, previously unknown secrets about the crimes he is accused of committing. For years, Pirro has crusaded for justice for the victims, and her impassioned perspective in the captivating HBO documentary series *The Jinx* made her one of its breakout stars. Featuring Pirro's unique insider's perspective on the crimes, as well as her exclusive interviews with many of the major players featured in *The Jinx*, this comprehensive book is the definitive story of Robert Durst and his gruesome crimes "the one you didn't see on television."

Customer Reviews

This narcissistic ode to Piro is such a disappointment & waste of time! As a Louisianian we have been

very interested in the Robert Durst story since the 48 Hours program featuring Susan Berman aired. I was very excited to find this book. It quickly faded as the few chapters are all about the author and her accomplishments (noteworthy but had I wanted to read a book about Jeanine Piro I would have purchased a book about Jeanine Piro but reading even more of the book I learn I did buy a book about Jeanine Piro). She will also spend much of your reading time discrediting anyone who has criticized her or her management of her office's investigation of the Kathie Durst cold case investigation. By the time we get to the chapter dealing with her trip to Galveston we have covered her friendships with prominent people, her name brand clothes, shoes, and hand bags. She will however minimize her own husband's incarceration reducing it to a three sentence mention (one sentence per chapter interspersed within the first seven chapters) whereas I lost count as to how many times she mentions her shoes & wardrobe choices. If you want to learn more about the Robert Durst case may I suggest reading a Vanity Fair article because when you take out all the material that pertains to Jeanine Piro that is all you are left with. The written words in this book that actually cover the Robert Durst background and case are roughly equivalent to a magazine article. The bulk of the book is about Jeanine Piro who's favorite words must be "I" and "my" since they are used so frequently in this book.
