Jenny the giraffe held her head up high,It nearly touched the clouds in the sky. Because she was so exceptionally tall,Jenny the giraffe had no friends at all.
** Review by : Denniger Bolton
Jenny, in this rhyming story, is a giraffe who being so very tall can't hear the other shorter animals, except birds except they fly away pretty quickly. So, she doesn't have any friends, until Bruce, the moose drafts her to play basketball on his Moose team. Every year, the Moose play the Monkeys and the Monkeys always win, but this year Jenny, who is the tallest in on the Moose team. Read this book to find out what happened at the big game.

to Raymond Hall: I don't think Jenny is being selfish. Jenny is different and being different is not her fault. Just accept who we are and move on with our life. We can't expect everyone to like anyone. They are the one who has no patience for her because she was different and some of them left her

too. I experienced that myself . Story short, I accepted who I am and moved on to find my own way. To a place where people will understand and cherish you but if I cant find I still have myself with me. The story was told in a rhythmic verses with good coloured illustrations. A simple storyline but with hidden message depends on how you see it.

great children story book! short read yet packed with moral lessons. These are the kinds of book I love to read to my daughter and she really enjoys it. The book also has very catchy pictures in every page which made it more fun for kids. I really appreciate Tina Rant's works. Will definitely get more of her children book. :)

Great story that teaches a lesson. The pictures are well done and the cute rhyming words make this a must read book that will give children the love of learning. One of the most important things we can do for the children in our lives. Follow Jenny the Giraffe and Bruce the Moose in this fun adventure that teaches how even though we may be different we can still work together in a winning way. Thanks to the author for writing books that kids love to read!

This was my all time favorite Bruce the Moose and Jenny. So, I loved the Jenny character, the giraffe. She was believable and funny. The monkey's cocky as you would expect and the moose and their team, very grounded. There is a lot of lessons that only a children's book can teach such as: Tolerance, anti-bullying, friendship, perception, imagination and even persistence. Therefore, this isn't a review item. Oddly, I love to review children's books, as I am also a children's book writer. In between my life as a writer and a reader, it makes me happy to review them.

About a lonely giraffe Jenny to make friends. She is too tall and has no friends, but Bruce the moose

finds her to help them in their basketball game. Jenny helps Bruce's team win the game and they become so good friends. Kids will meet similar issue at school or everyday life, it educational.

Another Great Bruce the Moose book. The little guy said he liked this one "because it was fun to read, and I wanted to see what happened to Jenny in the end". These books are a great series, and I'm sure he'll read them again.

This is now officially my favorite children's story on Kindle. It's very well written (in rhyme, no less!) with adorable illustrations and a positive message about how everyone has a place in the world. I highly recommend it. It will make kids and parents smile. :)
