Customer Reviews

I listen to this CD while in the car and also on my Ipod when I'm working around the house. Each word or phrase is repeated several times, not too quickly, allowing time for the student to "repeat". The slim booklet contains each word/phrase in English, Tagalog and the phonetic pronunciation with stress marks. I carry this around with me and use it to review and quiz myself whenever I have a few minutes but can't listen to the audio. This is very good for the absolute beginner in Tagalog. I wish Berlitz had a next level, beginner Tagalog audio course, with dialogues.

The content seems ok for me as a novice, but it is like an old cassette tape. It should have been divided into many short tracks for instant rewind for repeating words.
