Customer Reviews

As Dorothy Parker once said in a review, "This book should not be tossed aside lightly, it should be thrown with great force." This is Part Duex of Ms. Nelson's self-aggrandizing, exploitative effort to wring yet another buck or two out of her experiences with her two notable exes - Rita Mae Brown and Martina Navratilova. Please do not spend the money for this thing - we really don't want to encourage her.

[...]. This book has huge gaps in time, lacks any rational thought ([...]) and is short on any relevancy to most women (straight or gay). I will never be able to get back the few hours I spent reading this "book"...and that is a shame.[...]

COULDN'T PUT THE BOOK DOWN.
