Customer Reviews

Some brief, quick tips in the book.If that's what you want, these are super clear.If you're looking for a songbook, this isn't what you want.But for tips -- as the title says -- this is good stuff.

I ran across the name Steve Cohen on Hal Leonard's Play A-long harmonica series. This is an easy read, how-to book with a lot of good information for any level of player.
