Crowdfunding Personal Expenses: Get Funding For Education, Travel, Volunteering, Emergencies, Bills, And More!

Synopsis

Yes, it's true, crowdfunding websites like GoFundMe offer a NEW way to help pay for personal expenses. These could include medical bills, emergency costs, and memorial funds. Crowdfunding can also be used to help pay for your education expenses or volunteer efforts. But, that's not all. Crowdfunding isn't just for charity or personal cause campaigns. Believe it or not, more and more newlyweds are turning to crowdfunding to pay for their honeymoon! Some are even using it to pay for travel expenses!! I've been writing about crowdfunding since 2012 and have seen more campaigns than you can imagine. Last year alone, I helped nearly 400,000 individuals raise money from the crowd through my website, podcast, newsletter, and forum. Even though crowdfunding is an amazing tool, there's a right and a wrong way to raise funds online. That's where I come in. I'm going to guide you through the murky waters and share with you the best techniques, strategies, and give you the inside scoop on some of the crowdfunding platforms and websites out there. I'll also give you a heads up on costly MISTAKES TO AVOID when launching your first campaign. Believe me, you don't want to make a fool of yourself or learn the hard way. I'm going to make it dead simple and give you the step-by-step guide for raising money online. All you'll have to do is copy it!- Sal P.S. There is a FREE bonus video at the end of this ebook. Hope it's helpful!

Customer Reviews

This e-book is a great read, I would recommend it to anyone thinking of launching a personal crowdfunding campaign. I especially like the chapter on marketing your campaign, there are lots of useful tips that are easy to follow!

I recently had a close friend of mine pass away, leaving his wife with much debt and two children to raise. This book helped me to unlock the full potential of Crowdfunding. It really went a long way to help her out with the expenses of death, I would not have been able to raise as much money without the guidance in this book, and certainly could never have donated as much money by myself. Thank you Mr. Briggman!

Easy to read and informative. Step by step guide to crowd funding. Worth the price, especially if you're a Prime member.

This book clearly explains all the options available to you as you proceed in raising money for your own personal venture. Highly recommend.
